Re: U.S. ex rel. Kester v. Novartis Pharmaceuticals Corp., 11 Civ. 8196 (CM) (JCF)

Dear Judge McMahon:

This Office represents the United States (the "Government") in the above-referenced civil fraud action. We write respectfully on behalf of plaintiffs and defendant Novartis to seek brief extensions of two deadlines.

First, the parties respectfully request that the deadline for completing expert depositions be extended from September 8, 2015, to September 14, 2015. Second, the parties respectfully request that the due date for motions in *limine* and *Daubert* motions and supporting papers be extended from September 15, 2015, to September 21, 2015. These extensions will not affect (i) the date by which the motions in *limine* and *Daubert* motions will be fully submitted to the Court; (ii) the date of the final pre-trial conference; or (iii) the trial schedule.

We thank the Court for its consideration of these scheduling requests.
